- Communication
- Very Friendly

## Education

### Mechanical Engineering Masters ..... 2011-2018

Energy Department.

Instituto Superior Técnico, Lisboa, Portugal.

## Extracurricular Activities

### JUNITEC ..... 2016-2017

University's junior company. Member of the technical department, part of a team working directly in a project.

**Skills:** Teamworking, Communication, Python, Arduino

### University Grant ..... 2017-2018

Monitor of laboratory equipped with computers with technical software, used by students. Functions included guaranteeing good study conditions and providing support to other students regarding the usage of software related with programming, *CAD*, and *FEM*. Networking, account creation/administration, software and hardware maintenance of 60 divided in two rooms.

**Skills:** Teamworking, Communication, Management, Windows

## Notable Projects

### Master's Dissertation

Intelligent thermal comfort controller capable of adapting to a office user's preference and autonomously managing the ventilation system.

Reinforcement Learning.

**Skills:** Python, SQL, Linux, Rasperry Pi, L<sup>A</sup>T<sub>E</sub>X2, Git

### Techstorm

24 hours to develop an electronic product and present it in a 3 min pitch. The team was awarded the second place.

**Skills:** Teamworking, Communication, Python, Arduino

### Biogamming

*EMG* and arduino based product with the objective of controlling video games with muscle movement.

**Skills:** Teamworking, Communication, Python, Arduino
